

South Island south coast

The interim relief decision permits the following exceptions to the set net prohibition on the South Island south coast:

Set netting by commercial fishers during the period 1 October to 24 December (inclusive), in the waters lying between 1nm and 4 nm from the mean high-water mark that extends from Slope Point to Old Man Rock (i.e. excluding Te Waewae Bay), **provided** that such commercial fishers use:

- set nets to target only rig, school shark and elephant fish; and

set and haul their nets during the period commencing half an hour before sunrise and ending half an hour after sundown.
