
NISW Regional Recreational Forum

–Role of Forum Members –

(Agreed at Meeting of 20 October 2005)

Members' Role

The role of forum members is to:

1. Work with MFish to create a meeting environment that encourages and allows everyone to participate
 2. Nominate topics for discussion/education within the forums
 3. Actively participate in discussions and education sessions
 4. Actively share what is learnt at the forums with their organisations
 5. Disseminate information on proposed fisheries management interventions to their organisations
 6. Accurately report the viewpoints of their organisations
 7. Identify local issues, in conjunction with their organisations
 8. Encourage their organisations to participate.
 9. [Seek inserts/articles/information for club newsletters and other fishing media when appropriate.](#)
 10. [In conjunction with MFish to identify areas where education is required.](#)
